The Director's Corner

Happy Love Month! I think it should be more than just a day - well, more than a month too – it should be all year! What a great time to show God's love to everyone who crosses our path. If you think about how awesome God's love for us is, it isn't hard to show at least a little bit to others. We have some special events this month so please mark your calendar as they pertain to you and your child.

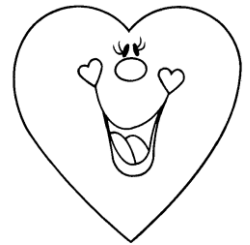

Thank You's

Kristy Krupa & Stacey Hoy for decorating the halls for January

Renee Hilts & Asha Tuli for preparing the Scholastic Flyers for ordering

Christmas Cookie Tray Fundraiser Report

Good News! The fund raiser did very well! We hoped to net \$1,700.00 and we netted \$1,900.00! We sincerely thank Jessica Rullo for heading this up. She did a wonderful job keeping us informed about this and we will keep all of you informed about the use of these funds.

Pasta dinner

We are having our third annual **Pasta Dinner Fundraiser on Friday February 24th from 4:30 to 7:00 pm**. On Thursday February 2nd we will be sending home a letter and 8 tickets which we would like each family to sell. Of course you can always ask for more tickets if you need them! The price is \$4.00 for 6 years and under and \$7.00 for adults. We will be serving pasta, sauce, meatballs, salad, bread, dessert and drinks. The money from the tickets, and any extra tickets, are due back on Tuesday February 21st. We will have carry-out available also. Jessica Rullo, our Preschool Committee Representative and preschool parent is heading up all fundraising for the school. When you see Jessica in our hallways, give her a great big THANK YOU! for all that she is doing.

Valentine's Day Party

Our parties will be held on Tuesday February 14th. Our day is a normal preschool day until 11:00 am or 2:15 pm. At that time we would ask that the parents return (or the adult picking up your child) and help the child open up their Valentines in the classroom. If you are the snack/room helper that day please bring in un-iced heart shaped cookies, frosting, drinks, plates and napkins. The cookies can be purchased at a local grocery store if you do not bake. We will provide a Popsicle stick for the kids to ice their cookies. Any questions... just ask.

Lazy Eye Screening

Mrs. Medved's and Mrs. Powell's children will be having their eyes screened on February 23rd beginning at 9:30 and 1:00. This is a free service provided to our school by the Vision Screening Program of Goodwill Industries to check for any early eye issues. If a possible vision problem is found during screening, a notification will be sent directly to you.

Dental Health Talk

Martha Popovich, a church member who works for Dr. Bauer and Dr. Martuccio, is coming on Wednesday February 29th to talk to the children and show them a short DVD on dental health. You are more than welcome to join us, the am time is 9:30 and the pm time is 1:00. The talk will only be about 20 minutes long.
